db x-trackers – Simply buy the market

db x-trackers, Europe's fastest growing ETF provider¹, has optimised index tracking with ETFs and offers a range of products which have:

Peace of mind: The db x-trackers ETFs are sub-funds of the db x-trackers SICAV, an umbrella fund investment company domiciled in Luxembourg compliant with the relevant European fund regulations relating to undertakings for collective investment in transferable securities (UCITS III).

Superior performance: db x-trackers is currently the fastest growing ETF provider in Europe¹ and one of the top five providers worldwide. Since January 2007 investors have invested over Euro 23 billion across more than 120 db x-trackers ETFs offering exposure across various asset classes – equity, bond, credit, money market, currency, commodity and hedge funds.

Innovation: db x-trackers has demonstrated its capacity to innovate, being the first ETF provider to offer liquid and tradable products on money market, short and credit indices.

Low fees: db x-trackers ETFs are passive index tracking instruments with low annual management fees or total expense ratios (TERs).

Low Tracking Error: db x-trackers ETFs are designed to closely track their benchmark index with minimal tracking error and performance leakage.

Multiple Investment Uses: db x-trackers can be used by investors for a variety of uses ranging from an intra-day trading tool to forming the basis of long term asset allocation decisions.

Liquidity: db x-trackers ETFs are amongst the most actively traded ETFs in Europe² with over 353 stock exchange listings worldwide. db x-trackers ETFs are traded on 6 stock exchanges across Europe and Asia (Borsa Italiana, Frankfurt Xetra, Paris Euronext, London Stock Exchange, Zürich SIX Swiss Exchange, SGX Singapore Exchange and Hongkong Stock Exchange) and are supported by a number of market makers.

Transparency: db x-trackers ETFs are designed to replicate the relevant index performance "one for one" before fees. This creates transparency. db x-trackers ETFs are traded like listed securities on the stock exchange and priced on a continuous basis.

Trust: Deutsche Bank is a leading global investment bank with a private client franchise. Its businesses are mutually reinforcing. A leader in Germany and Europe, the bank is growing in North America, Asia and key emerging markets. With circa 80,000 employees in 72 countries, Deutsche Bank offers a global comprehensive service. We compete to be the leading global provider of financial solutions for demanding clients, creating exceptional value for our shareholders and people.
